Graphic/Web Experience

McPartners
SEO Freelance Designer
www.MCC2010.com

Boston, MA
August 2010-October 2010

Description: I was hired to help fix many pages of broken code as well as missing links. I also helped with editing new and old images. I fixed their PayPal account as well as their registering system for MCC2010.

- Photoshop
- Illustrator
- Dreamweaver
- PHP
- HTML/CSS
- EPS/AI

Loudbus Media, LLC.
Director of Graphics and Design
www.loudbus.com
www.loudbustools.com

Cambridge, MA
January 2010-Present

Description: I create layouts for both Loudbus and Loudbustools.com. I create our logo as well as all the print material we use for our clients. I also create all the newsletters and e-mail layouts we do for our newsletters

The LaVoie Group
In house Graphic & Web Designer
www.lavoiegroup.com

Salem, MA
October 2009-February 2010

Description: I was the in house and freelance graphic and web designer for LaVoie Group, doing newsletter layouts for clients and our industry. I also help create websites with our clients. Also did updates to already created websites for clients as well as for LaVoie Group's.

- Photoshop
- Illustrator
- Dreamweaver
- Indesign
- Constant Contact

JustJaw

iphone application layout designer

www.justjaw.com

Description: Helped do the icon for an iphone application. I also did the lay out for the actual application as well. The application is designed to connect to your e-mail where you can find friends or family who actually have the app and you can send them a verbal message that will go into their mailbox like a voicemail, but it's a direct message.

- Photoshop
- Dreamweaver

Miami, FL

August 2009

nSight

SEO Web Developer

www.nsite.com

Description: I created new portals for colleges and universities on how classes pick and chose their material for classes. I update each portal to correctly function and operate properly

- Photoshop
- Dreamweaver

Burlington, MA

August 2009

Zink Imaging

Freelance Graphic Designer

www.zink.com

Description: I created several posters for their new product line that was coming out in 2010. I also help organize the products in a way that would function properly when they had their unveiling of the products.
